## CAMP NOTES:

1. Laurel South is not a uniform camp. We do require a modest amount of "uniform" clothing for inter-camp games, trips, team sports, etc. The Camp Spot is our official camp outfitter. Required Camp Uniform items are listed on the top of your packing list.
2. **Names must be written/sewn/ironed in all garments.** The Camp Spot offers free sewing service on all items ordered from their catalog.
3. Laundry is done weekly and returned in 48 hours. Laurel South provides a Laundry Bag for every camper. However, because our Laundry is sent out to be cleaned each week, there is a 36 hour period when the campers will not have access to their Laundry Bags. For that reason, please be sure to purchase the required Supplemental 2-Day Laundry Bag from you Camp Spot catalog for each camper.
4. Campers do not need hard trunks for storage. Soft trunks are preferred.
5. Further information about shipping baggage will be sent in February with your Parent Handbook.
6. Most athletic equipment is provided by Laurel South. In addition, the camp supplies all necessary camping equipment (other than a sleeping bag).
7. If you play roller hockey, you will need to bring roller blades and all the necessary padding with you. We provide helmets with shields. If you have a helmet feel free to bring it. Laurel South does provide all necessary equipment for street hockey. Please remember to bring a mouthguard to camp.
